

To Sid DuBois

4/5/99

Sid,

In our talk of today you agreed that my March 23rd statement of the agreement you reached with Dale BeVier implementing the settlement agreement between DBFA and HHS was correct. I set forth below the terms of that implementation agreement and an accounting for 1998 and 1999.

DBFA will pay HHS, at the beginning of the calendar year, the sum of \$500. HHS will debit \$100 if you use Deyo Hall for your annual meeting. If you also use the French Church, we will debit an additional \$100. We will keep track of DBFA members who tour HHS properties, and at the end of the year we will debit the total fees which would have been charged.

We will add the above debits. If the sum is less than \$500, we will keep the difference. If the sum is more than \$500, you will reimburse HHS for the excess.

Rental of office space in the Family Association Center will be handled separately.

For 1998, the total debits did not reach \$500. I believe that you have already paid us \$100 (for use of Deyo.) If so, you owe us \$400. If the \$100 has not been paid, you owe us \$500. I am sure that Dave Lent, who is being copied, can work this out with Catherine Smith.

For 1999, please send us the \$500 when convenient.

I am confident that Dave and Catherine can implement these arrangements in future years.

Howard Sacks
